PLANTAIN NENTHRAN BANANA POWDER

HSN Code: 07129090

GST: NIL | Branded Commercial Sale GST: 5% Applicable

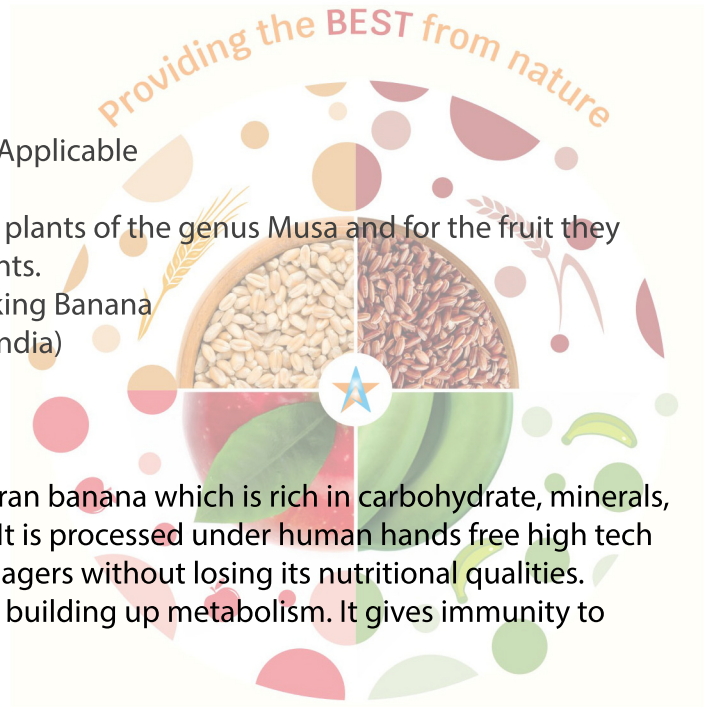

Banana is the common name for herbaceous plants of the genus *Musa* and for the fruit they produce. It is one of the oldest cultivated plants.

Common Name: Plantain Banana called Cooking Banana
(Called Nenthran/Nendran Banana in South India)

Botanical Name: *Musa Paradisiacal*

Our banana powder is made from raw Nenthran banana which is rich in carbohydrate, minerals, dietary fiber and other such micronutrients. It is processed under human hands free high tech machines and the supervision of quality managers without losing its nutritional qualities.

Bananas may improve digestion and helps in building up metabolism. It gives immunity to children and elderly people too.
